Dear Clinton Johns

SPONSORSHIP FOR UITSIG ANIMAL RESCUE CENTRE CATTERY

Thank you very much for being willing to again donate Fibreglass sheeting to Uitsig Animal Rescue Centre.

Uitsig Animal Rescue Centre is a Not for Profit Organisation (NPO) (NPO # 090-162) therefore all proceeds and donations received are used for the upkeep of the Animal Rescue Centre only.

We currently care for over 500 animals. These animals are either strays, abandoned, surrendered or abused.

Of these, approximately 100 are cats and kittens in our cattery - this number has grown as it is now kitten season. We have embarked on an expansion of the cattery with the installation of a number of Wendy Houses that require sheltered “stoeps”.

The +/- 400 dogs also require protection from the elements and a number of their enclosure still require some form of roofing or shelter

We receive no government funding and rely entirely on donations, support and good-will from the public and /or corporate companies.

We value your willingness to support the Uitsig Animal Rescue Centre. Your donation is greatly appreciated and will be put to excellent use.

Yours faithfully
